

# Lambeth, Southwark and Lewisham Local Pharmaceutical Committee

*Supporting Pharmacy Contractors*

---

The LSL LPC AGM meeting will cover two very important and relevant current topics, that as a contractor and pharmacist you simply cannot afford to miss:

## 1. Falsified Medicine Directive (implementation by 9th Feb 2019) By John Palmer, Pharmacy IT Lead, NPA

- What is it?
- Preparation required; penalty for failure
- Impact of Brexit
- IT Upgrade required - long/short term contract, integrated or standalone
- Indemnity Insurance

## 2. New Quality Payments (Feb 2019)

- Details, what are the new gateway criterion and qualifying criterion for payments
- New modules: CPPE training requirements for the pharmacy Team
- Preparation required

Both of these topics can form part of your GPhC planned CPD and revalidation and will be followed by a short AGM.
